

OCEAN COUNTY CRUSADERS

Ocean County Christian Academy
1380 Old Freehold Road
Toms River, New Jersey 08753

Dear Friends,

It's that time of year to make plans for the 2008-2009 OCCA High School Sports Advertising Programs. The Ocean County Crusaders athletic teams expect great success for the upcoming school year, claiming 1st Place at the Wachovia Center, home court to the 76ers, and 2nd Place in our girls JV Volleyball at FBC Tournament. We respectfully request support of community businesses such as yours, so that our athletic programs can remain a successful and spiritually uplifting program. Advertising in the Sports Program is a great value and a terrific way to support one of the best high school Sports Programs in the Ocean County. Our coaches and athletes extend special thanks and hope you will consider to support the efforts of these athletes and at the same time enjoy advertising benefits of reaching local Ocean County parents and residents with your business message.

The Ocean County Crusaders is offering multiple options for your advertising dollars this year. In addition to the Sports Advertising Program, an advertising schedule of current and upcoming events will be distributed and eight (8) business cards and/or coupons advertisements can be purchased. These schedules will be distributed at all games as well as community events, such as Home Tournaments. They also can be viewed via our website!

All money raised goes directly to supporting our athletics teams by funding uniforms, equipment, officials' fees, and tournament fees. Please take the time to review all the options for your advertising potential and return the enclosed form as soon as possible. Thank you in advance for your anticipated support in a program that builds character in our children such as, respect, responsibility, integrity, caring, self-discipline, trustworthiness, fairness and citizenship. This is why we feel there is a need for a great sports program. Please direct any questions to one of the committee members below.

Thank you,

Ocean County Crusaders Committee
